International author, PCOS expert and experienced clinician Dr. Rebecca Harwin has been helping women improve their health for many years. Dr. Rebecca understands how tough it can be, having previously suffered with this syndrome herself. After overcoming each of the signs and symptoms and gaining the upper hand, she is excited to show you how to lose weight and keep it off, regain your period, boost your fertility, have healthier, clearer skin and conquer your PCOS. Dr. Rebecca has completed eight years of intensive University study, and holds three degrees; a Bachelor of Chiropractic Science, a Bachelor of Applied Science (Clinical Science), and a Bachelor of Applied Science (Human Biology). She has also completed thousands of hours of further health studies. She is the author of several health books and PCOS courses. She is passionate about combining her comprehensive education and research with her personal and clinical experiences to bring you a comprehensive way forward from PCOS to perfect health.
