Description :

Prsentation de l'diteurIt began with the breathtaking DAUGHTER OF SMOKE AND BONE... the story continues in the astounding, must-read sequel, DAYS OF BLOOD AND STARLIGHTOnce upon a time, an angel and a devil fell in love and dared to imagine a new way of living - one without massacres and torn throats and bonfires of the fallen, without revenants or bastard armies or children ripped from their mothers'

arms to take their turn in the killing and dying. Once, the lovers lay entwined in the moon's secret temple and dreamed of a world that was a like a jewel-box without a jewel - a paradise waiting for them to find it and fill it with their happiness. This was not that world. Revue de presse I like to spread the word when I come across a book that excites me. I read Days of Blood and Starlight by Laini Taylor last weekend (sequel to Daughter of Smoke and Bone) and I'm all fired up about it. Thank you, Ms. Taylor, for a thrilling couple of days. I am in your debt. (Warning readers: this is one of those series that will have you tearing at your hair and gnashing your teeth waiting for the next installment. Be prepared.) (Stephenie Meyer) The second instalment is much darker, with more epic battles, suffering and loss . . . The ending is absolutely incredible - with a twist that completely catches you by surprise, leaving you dying to find out what happens next. (Glamour.com) Plunges us into a world of beauty and horror . . . intricately plotted . . . it's a book that flies between worlds on blood-tipped wings and grips like a magical vice. (Daily Mail) Presentation de l'auteur It began with the breathtaking DAUGHTER OF SMOKE AND BONE... the story continues in the astounding, must-read sequel, DAYS OF BLOOD AND STARLIGHT Once upon a time, an angel and a devil fell in love and dared to imagine a new way of living - one without massacres and torn throats and bonfires of the fallen, without revenants or bastard armies or children ripped from their mothers' arms to take their turn in the killing and dying. Once, the lovers lay entwined in the moon's secret temple and dreamed of a world that was a like a jewel-box without a jewel - a paradise waiting for them to find it and fill it with their happiness. This was not that world.
