## Description :

Prsentation de l'diteurIntrigue, romance, political in-fighting, rebellion and revenge set against a backdrop of the ravages of the Norman conquest of England.Set in the East Midlands - a story of conflict and divided loyalties, where individual interests clash with the collective good. It raises questions about submission to higher authority, involves Saxon ideas on equality of the sexes and adventures through medieval notions of herbal remedies and fertility.South Anglia Jan, a barely adolescent Saxon boy, the only free survivor of the massacre of his village, embarks on a single handed guerilla war against the Norman invaders. Mary Gip, the young and beautiful, ascetic reincarnation of the Saxons favourite saint, walks naked through her forest kingdom, spurning the advances of all who desire her, but succumbing to the charms of one who cannot take her.Strong Saxon women provide a particularly original second front against the Norman invaders.And

South Anglia Jan must decide whether he should risk all for the sake of a few hapless villagers. Blithe and bucolic England is about to explode. A novel that will leave you wondering how it all ever happened and what might have happened had things been just a little bit different. Presentation de l'diteur Intrigue, romance, political in-fighting, rebellion and revenge set against a backdrop of the ravages of the Norman conquest of England. Set in the East Midlands - a story of conflict and divided loyalties, where individual interests clash with the collective good.
