Description :

Prsentation de l'diteurIn the far flung future in the year 3000, the Justice League still exists and they're more familiar than you could imagine. Superman, Batman, Wonder Woman, The Flash and Green Lantern comprise the League, but how is it that a millenia from now, these heroes could still exists? JUSTICE LEAGUE 3000 VOL. 1: YESTERDAY LIVES is a new series starring the heroes of today--tomorrow from the classic Justice League writing team of Keith Giffen and J.M. DeMatteis with legendary artist Howard Porter (JLA).Collects JUSTICE LEAGUE 3000 #1-7.Revue de presse"It has a clear voice and defined style

that allows it to stand apart from the pack while still feeling like it belongs next to all of the other DC comic books."IGN"JUSTICE LEAGUE 3000 is a great way to give a much-beloved creative team free reign."Newsarama Presentation de l'diteurIn the far flung future in the year 3000, the Justice League still exists and they're more familiar than you could imagine.
