Description :

Prsentation de l'diteurSickening violence...just the way you like it. The most screwed-up superhero comic of all time continues in what's sure to be the most exciting launch of 2008. What would happen if you tried to be a super hero? What would happen when an ordinary man in a latex suit comes face-to-face with the criminal underworld? Read about super heroes like you've never seen them before and feel happy that you are living here right now when this book is being published. Your grandchildren will only envy you. Comics just don't get better than this.Mature...\$2.99Revue de presse[Millar has] a very dry, casual wit and a skill for defining strong characters --EmpireRomita makes visual story telling look effortless, conveying entire scenes in half a page worth of panels. Clever line work can speak louder than words when done right and Romita certainly does it right. --Starburst"A gleeful, cynical treat." --The GuardianPrsentation de
