Description :

Prsentation de l'diteurSkulls and Siamese. Corpse paint and Persians. Baphomet, pentagrams, blood, and tabbies! Metal Cats combines two amazing subjects: the extreme personalities of the hardcore metal music scene and their adorable kitties. These incredibly cute and fluffy felines have been photographed with their loving owners in and around the dark abodes of musicians, fans, and promoters of metal including members of the bands Black Goat, Thrones, Isis, Lightning Swords of Death, Book of Black Earth, Skarp, Harassor, Akimbo, Aldebaran, Atriarch, Oak, Ghoul, Ludicra, Holy Grail, Xasthur, Cattle Decapitation, Murder Construct, Exhumed, Morbid Angel, Municipal Waste, Skeletonwitch, Gypsyhawk, Nausea, Phobia, and Napalm Death. Metal isn't all dark and disturbing, violent and misanthropic. Metal Cats is proof that while the music may be brutal, the people in the scene are softies for their pets just like you and me... A portion of the proceeds from this book and a series of benefit shows held along the West Coast will go towards one no-kill shelter in each of the four main cities visited.Revue de presse"Metal Cats proves these necromancing rockers love their kitties as much as you and I...Its pretty much impossible not to get behind the feel-good, communal nature of this project."-Wired.com"Crockett noticed the strong bond, and interesting dynamic, between men in the metal scene and their favoured felines. She soon set to work capturing these endearingly

enamoured owners and their pets on film. The results are brilliantly unique and unexpected..."-
AnOther"Amonumentally awesome series"-Huffington Post"Aside from the entertainment value, the book
also serves a great cause"-Spin"Combination of something fluffy and something hardcore"-
Examiner.com"Black leather, spikes and tattoos? Check. Creepy and/or scary-sounding band name? Check.
Adorable little kitty cat on your shoulder? Check!"-Guitar WorldPrsentation de l'diteurSkulls and Siamese.
