## Description :

Prsentation de l'diteurSalley Vickers sensational debut novel, Miss Garnets Angel, is a voyage of discovery; a novel about Venice but also the rich story of the explosive possibilities of change in all of us at any time. Julia Garnet is a teacher. Just retired, she is left a legacy which she uses by leaving her orderly life and going to live in winter in an apartment in Venice. Its beauty, its secret corners and treasures, and its people overwhelm a lifetime of reserve and caution. Above all, shes touched by the all-prevalent spirit of the Angel, Raphael. The ancient tale of Tobias, who travels to Media unaware he is accompanied by the Archangel Raphael, unfolds alongside Julia Garnets contemporary journey. The two stories interweave with parents and landladies, restorers and priests, American tourists and ancient travellers abounding. The result is an enormously satisfying journey of the spirit and Julia Garnet is a character to treasure. Revue de

presse "Superbly crafted." The Atlantic Monthly "A jewel of a novel...Brilliant and beautiful." San Francisco Chronicle "Vickers has taken myth, religion, and secular humanism, and turned them into substantial life-affirming fiction." The Philadelphia Inquirer "A refreshing, gentle story."
