**Description :** Description du produitIn creating his acclaimed masterpiece Parade's End, Ford Madox Ford "wanted the Novelist in fact to appear in his really proud position as historian of his own time . . . The 'subject' was the world as it culminated in the war." Published in four parts between 1924 and 1928, his extraordinary novel centers on Christopher Tietjens, an officer and gentleman-"the last English Tory"-and follows him from the secure, orderly world of Edwardian England into the chaotic madness of the First World War. Against the backdrop of a world at war, Ford recounts the complex sexual warfare between Tietjens and his faithless wife Sylvia. A work of truly amazing subtlety and profundity, Parade's End affirms Graham Greene's prediction: "There is no novelist of this century more likely to live than Ford Madox Ford."

Prsentation de l'diteurChristopher Tietjens has long loved the beautiful young suffragette Valentine, but the

pair are held apart by Christopher's loyalty to his wife Sylvia, and to a set of principles which belong to an old world, and which are about to be swallowed up in the mud and chaos of the Western Front. This majestic four-part novel is one of the finest achievements of twentieth-century literature. Revue de presse "The Parade's End series of novels is a tour de force of writing and intelligence" (A.S. Byatt Guardian) "Incredible...greatest of all war books" (Independent) "Undeniable masterpieces" (Evening Standard) "Monumental" (Washington Post) Presentation de l'auteur Christopher Tietjens has long loved the beautiful young suffragette Valentine, but the pair are held apart by Christopher's loyalty to his wife Sylvia, and to a set of principles which belong to an old world, and which are about to be swallowed up in the mud and chaos of the Western Front.
