Or at least as ordinary as life can be for a renegade magician and owner of a tiki bar that caters to Earthbound demons. She's gearing up for the busiest day of the year--Halloween--when a vengeful kidnapper paralyzes the community. The influential head of the local Hellfire Club taps Cady to track down the fiendish bogeyman, and now that she's dating red-hot Lon Butler, the Club's wayward son, she can hardly say no.Cady and Lon untangle a gruesome thirty-year trail of clues that points to danger for the club members' children. But locating the person behind the terror will require

some metaphysical help from Cady's loyal bar patrons as well as her potent new Moonchild powers--and she'd better figure it out before the final victim disappears and her own darkest secret becomes her biggest enemy.
