Description :

Prsentation de l'diteurThe year is 2024. Ben Lake, a phenomenally successful investor, receives a call from a Lord Godfrey who invites him to what he describes as a seminar.Initially disinterested, Lake declines the offer but then becomes intrigued when Godfrey talks of immortality and freedom from disease. Out of curiosity, he eventually decides to attend.What he hears during the seminar horrifies him and he wants nothing to do with Godfrey or what he calls The Association.He leaves, and people start to die. Lake is then forced into a set of circumstances that hes totally ill-equipped to handle. 50% of any proceeds from this book will be used to offer understanding, support and advice to the hundreds of thousands of UK Chronic Fatigue Syndrome sufferers via a dedicated support forum. Chronic Fatigue Syndrome is a widely misunderstood but totally debilitating disease. The Author is a sufferer.Prsentation de l'diteurThe year is 2024.
