Description :

Prsentation de l'diteurA provocative literary thriller that playfully pays tribute to classic tales of mystery and adventureLucas Corso is a book detective, a middle-aged mercenary hired to hunt down rare editions for wealthy and unscrupulous clients. When a well-known bibliophile is found dead, leaving behind part of the original manuscript of Alexandre Dumas's *The Three Musketeers*, Corso is brought in to authenticate the fragment. He is soon drawn into a swirling plot involving devil worship, occult practices, and swashbuckling derring-do among a cast of characters bearing a suspicious resemblance to those of Dumas's masterpiece. Aided by a mysterious beauty named for a Conan Doyle heroine, Corso travels from Madrid to Toledo to Paris on the killer's trail in this twisty intellectual romp through the book world..comFallen angels, satanic

manuals, and a passion for the works of Raphael Sabatini and Alexandre Dumas among others--this is the stuff of Spanish author Arturo Prez-Reverte's engrossing novel *The Club Dumas*. Set in a world of antiquarian booksellers where dealers would gladly betray their own mothers to get their hands on a rare volume, *The Club Dumas* is a thinking person's thriller: in addition to a riveting plot, the book is full of intriguing details that range from the working habits of Alexandre Dumas to how one might go about forging a 17th-century text. Woven through these meditations is enough murder, sex, and the occult to keep both the hero, Lucas Corso, and the reader hopping. As in his previous novel, *The Flanders Panel*, set in the world of art restoration, Mr. Prez-Reverte has written a literary thriller to tease both the intellect and adrenaline gland. Lucas Corso makes a complex, ultimately sympathetic hero, and there's plenty to delight in the intricate twists and turns the story takes before the mystery of *The Club Dumas* is finally solved. From Publishers Weekly

The hero of Spanish author Perez-Reverte's freewheeling, ambitious literary mystery is Lucas Corso, an itinerant rare-book hunter who'd gladly sell his grandmother for a first edition. When a wealthy cookbook publisher and bibliophile is found hanged in his study, leaving behind an original handwritten chapter from Alexandre Dumas's *The Three Musketeers*, antiquarian book dealer Flavio LaPorte asks his friend Corso to authenticate the manuscript. What begins as a straightforward assignment soon complicates into a bewildering tangle of literary gamesmanship as the book detective finds himself swept into a real-life adventure-serial and crime novel rolled into one. As the action shifts from Madrid to Portugal to Paris, the intrepid, bad-tempered, gin-swilling Corso encounters a host of intriguing characters, including devil worshippers, obsessed book collectors and a hypnotically appealing femme fatale. Suspense-filled and ingenious, Perez-Reverte's latest (after *The Flanders Panel*) is also something of a primer on the rare-book business and a witty meditation on the relationship between book lovers and the texts they adore.
