Description :

Prsentation de l'diteur Filth (Failed In London, Try Hong Kong) is a successful lawyer when he marries Elisabeth in Hong Kong soon after the War. Reserved, immaculate and courteous, Filth finds it hard to demonstrate his emotions. But Elisabeth is different - a free spirit. She was brought up in the Japanese Internment Camps, which killed both her parents, but left her with a lust for survival and an affinity with the Far East. No wonder she is attracted to Filth's hated rival at the Bar - the brash, forceful Veneering. Veneering has a Chinese wife and an adored son - and no difficulty whatsoever in demonstrating his emotions . . . How Elisabeth turns into Betty and whether she remains loyal to stolid Filth or swept up by caddish Veneering, make for a page-turning plot, in a perfect novel which is full of surprises and revelations,

as well as the humour and eccentricities for which Jane Gardam's writing is famous. Presentation de l'auteur
