## Description :

Prsentation de l'diteurJames Hunt and Niki Lauda defined an era in Formula 1 in the 70s. Their battle for the 1976 World Championship is still regarded as one of the most exciting and dramatic in the sport's history. This is the story of that season and much more. With Lauda's return from life-threatening injuries the stuff of legend and Hunt's last gasp title success bringing a whole new generation of followers previously immune to the sport, the Playboy and the Rat brings that story to life once more. After that remarkable season, their careers, and their lives, went in almost polar opposite directions, with Lauda becoming the respected elder statesman of the sport. Hunt died at an unseemly age after a life that typified the image of a racing driver.
