[Read free] The Superannuated Man

Par Ted McKeever : The Superannuated Man before purchasing it in order to gage whether or not it would be worth my time, and all praised The Superannuated Man:

Description :

Prsentation de l'diteur
Humanity has been overthrown. Mutated animals run amuck in a post-apocalyptic world. Think you've seen this type of thing before? Well, not the way TED McKEEVER tells it. Follow the last remaining human, HE, as he encounters every manner of bizarreness the devastated town of Blackwater has to offer, in this collection of McKEEVER's brooding, darkly humorous series, The Superannuated Man.

Plus, it contains a substantial amount of bonus material, including . . . doodles.
