Description : Description du produitIntroduction by George Steiner; Translation by Willa and Edwin Muir

Prsentation de l'diteurThe terrifying tale of Joseph K, a respectable functionary in a bank, who is suddenly arrested and must defend his innocence against a charge about which he can get no information. A nightmare vision of the excesses of modern bureaucracy wedded to the mad agendas of twentieth-century totalitarian regimes..comA terrifying psychological trip into the life of one Joseph K., an ordinary man who wakes up one day to find himself accused of a crime he did not commit, a crime whose nature is never revealed to him. Once arrested, he is released, but must report to court on a regular basis--an event that proves maddening, as nothing is ever resolved. As he grows more uncertain of his fate, his personal life--including work at a bank and his relations with his landlady and a young woman who lives next door--becomes increasingly

unpredictable. As K. tries to gain control, he succeeds only in accelerating his own excruciating downward spiral. The New York Times Book It is proof of Kafka's other talents as a novelist, a humorist, a psychologist and a satirist that he does not leave his parable a bald one, but works into it every kind of human gesture and lifelike detail.
