Description :

Prsentation de l'diteurBlack Ops, Inc. operative Luke Doc Holliday Colter is taking some much needed down-time, making his way across the Peruvian Andes via rail, when banditos attack the moving train in the midnight hours. It soon becomes apparent that robbery is not their intent but the abduction of super model Valentina, who is traveling incognito while recovering from a public scandal involving her ex-husband, high profile US Senator, Marcus Chamberlin. Luke whisks Valentina off the train in a daring escape but the two of them become the targets of a relentless manhunt. Enlisting the aid of Luke's BOI teammates, they soon discover that Vals intended abduction is linked to a plot put in play by an international gun smuggling

alliance. The BOI team led by Luke, with Val along as a necessary pawn, must race halfway around the world to thwart a ruthless attack that would not only result in a devastating loss of life but destroy a tenuous peace the US and her allies have established in a vastly unstable part of the world.
